

# Workers' Compensation Coverage

A program for Florida Nursery, Growers & Landscape Association members

## ABOUT THE PROGRAM

Through FNGLA's relationship with Summit, eligible FNGLA members may qualify for special benefits on their workers' compensation policy, such as preferred Safety Rewards plans.

## WHO IS SUMMIT?

Summit is a leading provider of workers' compensation insurance products and services to employers throughout the Southeast. Summit has more than 30 years of experience in workers' compensation and provides underwriting, policy administration, claims management and loss control services to our policyholders.

## HOW WE WORK FOR YOU

- Online Business Center—obtain details about your policy, print Certificates of Insurance (COIs), access your loss information and much more!
- Back2Work™, Summit's return-to-work program—designed to get injured workers back to productive employment following work-related injuries
- Drug-free Workplace and Workplace Safety Program assistance
- Tailored loss-control services
- Safety education and training materials
- Comprehensive claims-management services
- Medical cost containment
- Three ways to report injuries 24 hours a day, 7 days a week—hotline, online or fax line
- Subrogation/Second Injury Fund specialists
- Fraud investigation
- Proprietary provider network, providing easier access to quality medical care

Your independent insurance agent can tell you more about this workers' compensation program endorsed by the FNGLA. For FNGLA membership information, visit their website at [www.fn gla.org](http://www.fn gla.org). Workers' compensation coverage is underwritten by Summit-managed carriers.
